

We at Summit Academy are happy to be able to provide a FUN safe environment for your children as we continue to use safety precautions as laid out by the CDC. As the State of Indiana is proceeding with Covid-19 directives, Summit would like to reiterate our policies.

1. All students over age 6 are to be dropped off in the designated **DROP OFF** area in the front of the gym and picked up at the designated **PICK UP** area in the back of the gym.
2. Only **ONE** parent and/or guardian of students age 6 and under will be permitted in the gym. All parents and/or guardians must wear a mask when in the gym. Please help us by adhering to this policy and not putting our staff in an awkward position, as this will be enforced.
3. Please use social distancing (blue X's in waiting area) when in the gym.
4. If you or your child have been exposed, are showing symptoms or are waiting for test results, please do not send them to the gym until they are finished quarantining. This includes if your child is quarantined from exposure at school, please also quarantine them from Summit Academy.

Thank you for giving us the opportunity to work with your children in a FUN, safe environment. Thanking you in advance for following our safety precautions.
